

Dear Holy Trinity Catholic School Parent,

HTCS is excited to be partnering with Hallow this year to provide a tool for mental and spiritual health for faculty, staff, and students. Hallow is the #1 Catholic app and provides thousands of audio-guided sessions to listeners, covering a variety of prayer techniques, topics, and styles. The Hallow team works with Catholic schools and parishes to offer Hallow at a discount for teachers to use it in the classroom with students.

In order to set up your child's Hallow account, Hallow needs your permission. *(The company complies with Federal COPPA guidelines, and you can read more about their privacy policy at <https://hallow.com/privacy-policy/>.)*

Your student will have a personal Hallow account designed for use in the classroom **and at home**. The content on Hallow includes music, sleep stories, meditations, and prayers designed specifically for kids and students of all ages, as well as families.

Parents, you can log in to your child's account by using your child's school email address and the default password "hallowed". We encourage you to take this easy opportunity to grow in your faith with your children as you listen and pray together on Hallow.

If you have any questions about the product or how your child's account will be set up, please reach out to the Hallow team at schoolpartners@hallow.app or at 773-900-7145.

Blessings,

Karen Luzzo, B.S., M.Ed.
