Don't forget to ROAR!

Happy Summer Break, Trinity Lions! Congratulations to all of our families, students, faculty, and staff for making it to the end of another amazing school year! Thank you from the bottom of my heart for all of your support, dedication, and trust over the past year. It is your partnership that makes our "Lion" community so incredibly special. I hope you all enjoy a safe, relaxing, and fun-filled summer break with your loved ones. I am already looking forward to an amazing 26-27 school year when we return in August! Please continue to check your emails, the school website [Holy Trinity Catholic School | North Myrtle Beach, SC](#), and our [Facebook](#) page for updates and information about the exciting things happening at HTCS!

Summer Skill - While not a skill that is taught in school, being able to tie one's shoes is an essential skill for all children, promoting independence and confidence. **Developmental Benefits** - Learning to tie shoes enhances fine motor skills, hand-eye coordination, and spatial awareness. These skills are crucial for overall physical development and daily activities. **Independence and Confidence** - Mastering shoe tying allows children to take on more responsibilities, fostering a sense of accomplishment and self-reliance. This independence is vital as they grow and face new challenges in school and life. **Social Readiness** - Being able to tie shoes is often a milestone that prepares children for social interactions, such as participating in group activities or sports. It helps them feel more integrated and capable among peers. **Practical Life Skills** - Beyond footwear, the skill of tying shoes teaches problem-solving and perseverance, as children learn to overcome challenges. This foundational skill can translate into other areas of learning and daily tasks. **Please practice this skill over the summer to ensure your child can tie his/her shoes before returning in August.**

School Summer Hours - The office will be open 8 AM-noon most Tuesdays, Wednesdays, and Thursdays during the summer. Emails will be checked frequently, so please feel free to reach out with any questions or concerns you might have.
