

Accelerated Math Track

** In order to receive High School Credit, a student must maintain a passing grade the entire school year and pass the End of Course Exam.

If student isn't maintaining a B or better by midterm QI, then a conference w/PASS Plan will be held to determine if the accelerated placement is appropriate.

* In order to qualify for PAP, students must have 81st percentile or higher on the Spring MAP score in their 4th grade year. Have an A average in 4th grade math; and teacher/Admin recommendation.
