

NEXPLORE

Drawing - Sketch Studio

Grow confidence and artistic ability through drawing adventures at Holy Trinity Catholic School!

Young artists explore step-by-step drawing and in-depth drawing techniques to grow confidence alongside technical skill. In guided practice, they create fun projects like drawing a guitar, a coconut tree or an endless staircase. The techniques portion covers foreshortening, two-point perspective, and strategies for drawing bodies and landscapes. Students finish the course ready to show off new skills and with a sketchbook full of cool work.
