

## After School Activities

We are excited to offer Clubs, Choir, & Workshops this year. To streamline the process all Clubs, Choir, & Workshops will last until 4pm and will be dismissed from the front office. Please see the attached pick up route. Once a student has signed up for an after school activity, they must complete the activity. They may not quit one to join another. In an effort to help you and your child be able to make an informed choice, please also see the sports schedule. *NO after school activities on ½ days and no school days!*
