Good evening, Trinity Lions!

I pray this message finds you well and that everyone is enjoying the summer break. Prior to going on vacation soon, I wanted to provide you with some updates and information:

1. Please see attached for the revised school calendar. There was a slight change for October 16, which will be a virtual day for students as faculty must attend an important Catechesis training day.
2. Please see attached for some club information.
3. We are still offering a tuition credit for families who refer a family that enrolls in our school. Word of mouth is our most impactful resource for new families!
4. Back-To-School Mass and Open House: Please join us at the 10 AM Mass on August 9 followed by an open house. Come see the new school library, employee lounge, and Accelerated Math classroom!
5. Back to School Night: We are looking forward to seeing everyone at our annual back-to-school night on Tuesday, August 11. Drop off supplies, meet your faculty and staff, catch up with current and new friends, hear from your PTO, and learn more about the DoCurious program we are piloting from the DoCurious team. Look for more information coming soon!
6. Annual Mission and Vision Statement Review: Please review the attached statements. If you have any suggestions for edits, please let me know by Friday, 7/17/26. Note: next year, when we add 6th grade, we will need to revise these statements.

We're looking forward to an amazing school year. We are so grateful for the support of all our families, faculty, and staff!

Have a great weekend!

Blessings,

Karen Luzzo, BA, M.Ed.
