- **Family Faith Formation Activity** – Save the date, **Tuesday, November 15**, for our next family faith formation activity with Deacon Richard – making Chrismon ornaments. Information is on the school website, and a sign-up form will be coming home in early November.

**Catholic Faith Formation:** Chrismon Ornaments were originated and first made for use on the Christmas tree of Ascension Lutheran Church in Danville, Virginia, in 1957 by Mrs. Frances Kipps Spencer, a church member. The designs were monograms of and symbols for our Lord Jesus Christ. Because these designs have been used by his followers since biblical times, they are the heritage of all Christians and serve to remind each of us regardless of denomination of the One we follow. All Chrismon Ornaments are made in a combination of white and gold to symbolize the purity and majesty of the Son of God and the Son of Man.
