

Holy Trinity Catholic School

Good morning, Trinity Lions!

I pray your summer is off to a wonderful start and that you are enjoying this special time together with your families. We continue to work diligently to plan for the upcoming 2026–2027 school year, and as part of that preparation, we are thrilled to share the following exciting updates:

- **Year-Round Spanish:** Mrs. Ana, our K3 Assistant Teacher, will be teaching Spanish year-round! All students from K3 through 5th grade will participate in Spanish classes this school year.
- **K4 Lead Teacher:** Ms. Kaitlin Bovee has been hired as our new K4 Lead Teacher. Ms. Bovee joins the HTCS family with a bachelor's degree and several years of valuable experience in both private and public early childhood education.
- **PE & Athletics:** Coach Jay Misencik has been hired as our new PE Teacher and Athletic Director. Coach Jay joins the HTCS team with a bachelor's degree and several years of dedicated experience in Catholic school education.
- **5th Grade Families (Accelerated Math):** Keep an eye out for information coming soon regarding an *Accelerated Math* meeting. This meeting is for students who qualify for this exciting new class, which will be taught by Mrs. Hines.
- **4th and 5th Grade Families (Gifted & Talented Project-Based Learning - GTPBL):** Look for information coming soon for students who qualify for this program, which will be taught by our new Music Teacher/Interventionist, Miss Emily Carman.
- **Back-to-School Night:** Please mark your calendars to join us for our annual Back-to-School Night at **5:00 PM on Tuesday, August 11th**. More detailed information about this event will be shared soon.
- **Campus Improvements (New Library!):** Work is set to begin this week to create a brand-new library and a new faculty/staff lounge! In anticipation of our middle school expansion next year, these new spaces will pave the way for additional classroom transitions next summer.

Thank you all for your continued partnership and support. We cannot wait to see everyone back on campus soon!

Blessings,

Karen Luzzo, BA, M.Ed.
